MEMORANDUM FOR THE RECORD

SUBJECT: OCA Meeting with SSCI Staff Managers -
16 February 1988

The weekly meeting between OCA and SSCI staff managers on 16 February concerned the upcoming INF hearings, queries about Panama and preparations for the quarterly CA review.

Attending from the SSCI staff were Dave Holliday, Britt Snider, Jim Dykstra and Keith Hall. [redacted] and the undersigned represented OCA. The discussion took place between 1045 and 1115 hours at SHOB 212.

25X1

Principal topics:

- Dave Holliday asked that the Agency provide its final conclusion about [redacted]

25X1

[redacted] This was the arrangement made during a 10 February SSCI staff briefing [redacted] Holliday mentioned that the Committee had received a letter from Senator Kennedy requesting the SSCI to determine if CIA had acted improperly. [redacted] was asked to find out if [redacted] prepared to present its conclusion and to contact Holliday with the results. The SSCI staff director, Sven Holmes, subsequently raised the possibility that the DDCI make a statement, on the record, when he testified on 18 February at the SSCI.

25X1

25X1

25X1

- The meeting discussed in general the next three hearings on the INF Treaty, covering counterintelligence, resources and capabilities, and INF links to START negotiations.

- The SSCI staff mentioned its interest in meeting with the new DDO in the near future. The Chairman/Vice Chairman's scheduled meeting on 17 February was discussed. The staff made a pitch for discussing a number of issues with Mr. Stolz, such as the SSCI review of DOD HUMINT operations.

25X1

~~CONFIDENTIAL~~

- The SSCI Committee planned to schedule the CA review on 3 March, to be preceded by a staff review at Headquarters.

25X1

- The staff will ask for Headquarters briefings on Cuba, Haiti and the Dominican Republic before Sven Holmes and Jim Dykstra make the trip in March.

25X1

25X1

- Dave Holliday asked that the staff be informed about any valid information -- if it existed -- to support claims made during the U.S. presidential campaign about Soviet missiles in Cuba.
